DETAILED ACTION

1. Claims 1-10 examined.
2. It is hereby acknowledged that the following papers have been received and placed of record in the file: Foreign Priority Document on 07/23/2001 and Change of Address on 05/10/2002.

Allowable Subject Matter

3. Claims 1-10 allowed.
4. The following is a statement of reasons for the indication of allowable subject matter: the (paraphrased) limitation of 'in response to a resource assignment request, broadcasting an announcement to potentially higher priority resource requestors to acknowledge that they have not requested a resource beforehand' has not been found in the prior art of record in combination with the other limitations of the independent claims.

Conclusion

5. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.
